On August 16, 2006, the Seattle Housing Authority (employer) filed a petition for a question concerning representation with the Public Employment Relations Commission due to conflicting demands from the International Union of Operating Engineers, Local 286 (Local 286) and the Seattle/King County Building and Trades Council requesting bargaining for the property managers at the Seattle Housing Authority.

A hearing was conducted and on February 2, 2007, and a decision was issued, *Seattle Housing Authority*, Decision 9546 (PECB, 2007) which resolved the issues raised in this representation case.

The Executive Director is satisfied that further formal proceedings are not warranted in this case.
