Examiner Ronald L. Meeker issued an order in the captioned matter on April 23, 1985, finding that any statutory question concerning violation of RCW 41.56.140 was dependent on contract interpretations within the authority and expertise of the arbitration forum provided for in the collective bargaining agreement between the parties. Provided for reactivation of the unfair labor practice case under certain circumstances. King County Department of Youth Services, Decision 2193 (PECB, 1985).

Since that order was issued the Commission has not received any progress report from either party. Accordingly, the parties were advised on October 3, 1985 that if nothing was filed within 14 days thereafter, the complaint would be dismissed for lack of prosecution. Nothing further was received from either party.
