CITY OF SEATTLE)	ORDER OF DISMISSAL
<hr/>)	

On April 18, 2008, the Teamsters Union, Local 763 filed a petition for clarification of bargaining unit with the Public Employment Relations Commission. The bargaining unit for which Teamsters sought clarification mingled employees of the City of Seattle who are supervisors with the rank and file employees. The petition sought to establish a separate collective bargaining unit for the supervisors. On the same date, the Teamsters also filed a petition for investigation of a question concerning representation, seeking to establish a supervisory bargaining unit within the City of Seattle (Case 21662-E-08-3357).

During the scheduled conference call, the Representation Coordinator informed the parties that the unit clarification proceeding would be held in abeyance pending the outcome of the representation proceeding, as Commission precedent precludes clarification of a bargaining unit in which a question concerning representation has been raised.

On June 10, 2008, a certification was issued in the representation case, certifying the Teamsters Union, Local 763 as the exclusive bargaining representative of a bargaining unit of all full-time and

regular part-time supervisors of the City of Seattle Municipal Court. *City of Seattle*, Decision 10090 (PECB, 2008).

The unit issue raised in this matter has been resolved in Case 21662-E-08-3357. The Executive Director is satisfied that further formal proceedings are not warranted in this case.

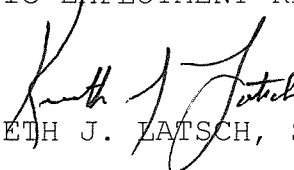

NOW, THEREFORE, it is

ORDERED

The petition filed in the above-captioned matter is hereby DISMISSED.

DATED at Olympia, Washington, this 11th day of June, 2008.

PUBLIC EMPLOYMENT RELATIONS COMMISSION

KENNETH J. LATSCH, Special Projects Manager

This will be the final order of the Commission unless an appeal is filed under WAC 391-35-210.
