1. The above-named petitioner timely filed with the Public Employment Relations Commission a petition for investigation of a question concerning representation of employees of the above-named employer; said petition was accompanied by a showing of interest which was administratively determined by the Commission to be sufficient; and the employer declined voluntarily to extend recognition to the petitioner as the exclusive bargaining representative of its employees.

All full-time and regular part-time professional uniformed employees of the fire department, excluding supervisors, confidential employees and all other employees of the employer.

3. All proceedings were conducted under the supervision of the Commission in a manner designed to afford the affected employees a free choice in the selection of their bargaining representative, if any; a tally of the results was previously furnished to the parties and is attached hereto; and no meritorious objections have been filed with respect to these proceedings.

CONCLUSION OF LAW

The unit described in finding of fact number 2 is an appropriate unit for the purposes of collective bargaining within the meaning of RCW 41.56; and all conditions precedent to a certification have been met.

NOW, THEREFORE, it is

CERTIFIED

The employees of the above named employer employed in the appropriate collective bargaining unit described in finding of fact number 3 have chosen:

INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS, LOCAL 31
