CASE NUMBER 18046 E 03-2908 EMPLOYER State-Interagency Committee for Outdoor Recreation

The Public Employment Relations Commission has conducted a confidential cross-check under WAC 391-25-410, which provides:

(1) Where a cross-check of records is to be conducted to determine a question concerning representation, the organization shall furnish to the agency original or legible copies of individual cards or letters signed and dated by employees in the bargaining unit within ninety days prior to the filing of the petition and indicating that the employees authorize the named organization to represent them for the purposes of collective bargaining, or shall furnish to the agency membership records maintained by the organization as a part of its business records containing the names of employees and indicating those employees currently members in good standing.

(2) The agency shall honor a valid revocation of authorization contained in an individual card or letter signed by the employee and furnished to the agency by the employee.

(3) The employer shall make available to the agency original or legible copies of employment records maintained as a part of its business records containing the names and signatures of the employees in the bargaining unit.

(4) Prior to the commencement of the cross-check, the organization may file and serve, as required by WAC 391-08-120, a request that the question concerning representation be determined by a representation election. Any such requests shall be honored.

(5) Where the organization files a disclaimer or a request for election after the commencement of the cross-check, the cross-check shall be terminated and the organization shall not seek to be certified in the bargaining unit for a period of at least one year thereafter.

(6) All cross-checks shall be by actual comparison of records furnished by the parties. The agency shall not disclose the names of employees giving representation authorization in favor of or appearing on the membership rolls of the organization. Upon the conclusion of the comparison of records, the agency officer conducting the cross-check shall prepare and furnish to the parties a tally sheet containing the number of employees in the bargaining unit, the number of employee records examined and the number of employee records counted as valid evidence of representation.
