The Public Employment Relations Commission has conducted a confidential cross-check under WAC 391-25-410, which provides:

(1) Where a cross-check of records is to be conducted to determine a question concerning representation, the organization shall furnish to the agency original or legible copies of individual cards or letters signed and dated by employees in the bargaining unit within ninety days prior to the filing of the petition and indicating that the employees authorize the named organization to represent them for the purposes of collective bargaining, or shall furnish to the agency membership records maintained by the organization as a part of its business records containing the names of employees and indicating those employees currently members in good standing.
