All full-time and regular part-time clerical, professional and technical employees of the Yakima County Public Works Department excluding supervisors, confidential employees, and all other employees of Yakima County.

4. All proceedings were conducted under the supervision of the Commission in a manner designed to afford the affected employees a free choice in the selection of their bargaining representative, if any; a tally of the results was previously furnished to the parties and is attached hereto; and no meritorious objections have been filed with respect to these proceedings.
