FINDINGS OF FACT

1. The above-named petitioner filed with the Public Employment Relations Commission a petition for investigation of a question concerning representation of employees of the above-named employer. The petition was timely filed and was accompanied by a showing of interest which was administratively determined by the Commission to be sufficient.
2. Following an investigation conference, the Commission proceeded with determination of the question concerning representation, and issues framed concerning the eligibility of certain employees for inclusion in the bargaining unit were reserved for subsequent determination.
3. These representation proceedings were conducted by the Commission in the bargaining unit described as:

4. All proceedings were conducted under the supervision of the Commission in a manner designed to afford the affected employees a free choice in the selection of a bargaining representative, if any; a tally of the results was previously furnished to the parties and is attached hereto; the reserved eligibility issues do not affect the outcome of the question concerning representation; and no meritorious objections have been filed with respect to these proceedings.
