- 2. The organization(s), if any, listed as intervenors above timely moved for intervention in the captioned proceedings; and said motion(s) for intervention was in each case supported by a showing of interest which was administratively determined by the Commission to be sufficient.

All full-time and regular part-time classified employees of the district, excluding supervisors, confidentials, and all other employees.

4. All proceedings were conducted under the supervision of the Commission in a manner designed to afford the affected employees a free choice in the selection of their bargaining representative, if any; a tally of the results was previously furnished to the parties and is attached hereto; and no meritorious objections have been filed with respect to these proceedings.
