Re: Case No. 651-E-76-121

Decision No. 143 PECB

Dear Mr. Fogg:

In accordance with an agreement between Public School Employees of Renton, an affiliate of Public School Employees of Washington, and Renton School District No. 403, this Commission did conduct a Union Security Election on December 20, 1976. This will serve to certify the results of that election which are as follows:

Approximate Number of Eligible Voters	138
Votes cast for inclusion of a Union Security	
Clause in the Contract	75
Votes cast against inclusion of a Union Security	
Clause in the Contract	20
Challenged Ballots	1
Valid Votes Counted	95
Valid Votes Counted plus challenged ballots	96

The Challenged Ballots were not sufficient in number to effect the results and were therefore not given consideration. The above results show a favorable vote of 78.9% of the valid votes cast. I wish to thank all parties for the full cooperation and courtesy shown to the Commission representative during these proceedings.

Sincerely,

Win Key
State Labor Mediator
