_____)

On November 12, 1987, Washington State Council of County and City Employees (petitioner) filed a petition with the Public Employment Relations Commission, seeking investigation of a question concerning representation among certain employees of the City of Sedro Woolley (employer). The petitioner and the employer thereafter entered into and filed an election agreement together with a supplemental agreement, by which issues concerning the eligibility of the Deputy City Clerk were reserved for subsequent resolution.

A representation election was conducted, and an interim certification was issued in City of Sedro Woolley, Decision 2853 (PECB, 1988) for the bargaining unit described as:

All full-time and regular part-time office-clerical employees of the City of Sedro Woolley; excluding office-clerical employees in the police department, fire department, public works department, library, court employees, all other employees, elected officials, officials appointed for a fixed term, supervisors and confidential employees.

The petitioner was thereby designated as the exclusive bargaining representative.

Prior to a hearing on the eligibility issues reserved in the supplemental agreement, the parties resolved the matters and the petitioner advised the Commission, in writing, that it was withdrawing its request for a hearing on the matter. It therefore appears that all issues to be addressed in the instant representation proceedings have been resolved, and that no further proceedings are necessary.

NOW, THEREFORE, it is

ORDERED

1. The interim certification issued in City of Sedro Woolley, Decision 2853 (PECB, 1988), will stand as the final certification in the instant representation proceeding.
2. In light of the resolution of the issues previously framed herein, the matter is CLOSED.

DATED at Olympia, Washington, this 29th day of April, 1988.

PUBLIC EMPLOYMENT RELATIONS COMMISSION
