

STATE OF WASHINGTON

BEFORE THE PUBLIC EMPLOYMENT RELATIONS COMMISSION

In the matter of the petition of:

WASHINGTON FEDERATION OF STATE
EMPLOYEES

Involving certain employees of:

THE EVERGREEN STATE COLLEGE

CASE 23856-E-11-3639

DECISION 11062-A - PECB

ORDER CLOSING CASE

On March 20, 2011, Washington Federation of State Employees filed a petition for investigation of a question concerning representation with the Public Employment Relations Commission, involving certain employees of the Evergreen State College. As a result of preliminary processing of the petition, the Commission determined the question concerning representation, and issues concerning the eligibility of certain employees for inclusion in the bargaining unit were reserved for subsequent determination. The tally indicated that Washington Federation of State Employees was entitled to certification in the matter, and that the reserved eligibility issues were not of a sufficient number to affect the outcome of the proceedings.

An interim certification was issued in this matter, as *The Evergreen State College*, Decision 11062 (PECB, 2011), for the bargaining unit described as:

All full-time and regular part-time employees exempt from RCW 41.06 who employed by the Evergreen State College in the Student Affairs Division, excluding casual employees and those exempted by RCW 41.56.021.

The proceeding was held open to resolve the eligibility disputes previously framed by the parties.

Prior to issuance of a decision on the eligibility issues, the parties resolved their differences. It therefore appears that all issues that could properly be addressed in this representation proceeding have been resolved, and that no further proceedings are necessary.

NOW, THEREFORE, it is

ORDERED

1. The interim certification issued in this matter will stand as the final certification in this representation proceeding.
2. The above-captioned matter is CLOSED.

Issued at Olympia, Washington, on the 18th day of August, 2011.
