BEFORE THE PUBLIC EMPLOYMENT RELATIONS COMMISSION

In the matter of the petition of:

UNITED FOOD AND COMMERCIAL  
WORKERS, LOCAL 1439

Involving certain employees of:

COULEE MEDICAL CENTER  
(GRANT COUNTY PUBLIC HOSPITAL  
DISTRICT 6)

CASE 26273-E-14-3848

DECISION 12056-A - PECB

ORDER CLOSING CASE

On February 6, 2014, the United Food and Commercial Workers, Local 1439, filed a petition for investigation of a question concerning representation with the Public Employment Relations Commission, involving certain employees of Coulee Medical Center. As a result of preliminary processing of the petition, the Commission determined the question concerning representation, and issues concerning the eligibility of certain employees for inclusion in the bargaining unit were reserved for subsequent determination. The tally indicated that the United Food and Commercial Workers, Local 1439, was entitled to certification in the matter, and that the reserved eligibility issues were not of a sufficient number to affect the outcome of the proceedings.

An interim certification was issued in this matter, as *Coulee Medical Center*, Decision 12056 (PECB, 2014), for the bargaining unit described as:

All full-time, and regular part-time and per diem Registered Nurses employed by the Coulee Medical Center, excluding supervisors, confidential employees and all other employees.

The proceeding was held open to resolve the eligibility disputes previously framed by the parties.

Prior to issuance of a decision on the eligibility issues, the parties resolved their differences. It therefore appears that all issues that could properly be addressed in this representation proceeding have been resolved, and that no further proceedings are necessary.

NOW, THEREFORE, it is

ORDERED

1. The interim certification issued in this matter will stand as the final certification in this representation proceeding.
2. The above-captioned matter is CLOSED.

Issued at Olympia, Washington, on the 27th day of January, 2015.
