In the matter of the petition of:

SERVICE EMPLOYEES
INTERNATIONAL UNION, LOCAL 925

Involving certain employees of:

UNIVERSITY OF WASHINGTON

CASE 26197-E-14-3843

DECISION 12008-A – PSRA

ORDER CLOSING CASE

On January 10, 2014, the Service Employees International Union, Local 925, filed a representation petition with the Public Employment Relations Commission, involving certain employees of the University of Washington. As a result of preliminary processing of the petition, the Commission determined the question concerning representation, and issues concerning the eligibility of certain employees for inclusion in the bargaining unit were reserved for subsequent determination. The tally indicated that the Service Employees International Union, Local 925, was entitled to certification in the matter, and that the reserved eligibility issues were not of a sufficient number to affect the outcome of the proceedings. An interim certification was issued for the bargaining unit described as:

All supervisory civil service employees of the University of Washington in the employer's academic, maintenance, and medical areas of operation, excluding confidential employees, internal auditors, non-supervisors and employees included in any other bargaining unit.

University of Washington, Decision 12008 (PSRA, 2014). The proceeding was held open to resolve the eligibility disputes previously framed by the parties.

Prior to issuance of a decision on the eligibility issues, the parties resolved their differences. It therefore appears that all issues that could properly be addressed in this representation proceeding have been resolved, and that no further proceedings are necessary.

NOW, THEREFORE, it is

ORDERED

1. The interim certification issued in this matter will stand as the final certification in this representation proceeding.
2. The above-captioned matter is CLOSED.

Issued at Olympia, Washington, on the 6th day of August, 2014.
