

STATE OF WASHINGTON

BEFORE THE PUBLIC EMPLOYMENT RELATIONS COMMISSION

In the matter of the petition of:

SERVICE EMPLOYEES INTERNATIONAL
UNION LOCAL 925

Involving certain employees of:

UNIVERSITY OF WASHINGTON

CASE 133180-E-20

DECISION 13307 - PSRA

CERTIFICATION

Self-Determination by Card Check

Sarah Bright, Organizing Director, for the Service Employees International Union Local 925.

Jennifer Mallahan, Labor Relations Negotiator, for the University of Washington.

FINDINGS OF FACT

1. The Service Employees International Union Local 925 filed a representation petition concerning the employees in the Dietitian I and II job class at the University of Washington. The Public Employment Relations Commission (PERC) determined the petition was timely filed and accompanied by a sufficient showing of interest. No other organization claimed to represent the employees involved.
2. The existing bargaining unit, last certified in *University of Washington*, Decision 13195 (PSRA, 2020), represented by the Service Employees International Union Local 925 is described as follows:

All full-time and regular part-time nonsupervisory laboratory technical employees employed by the University of Washington in hospitals and clinics operated by the University of Washington, including the occupational therapists I, II and III employed by the University of Washington in hospitals and clinics operated by the University of Washington at the University of Washington Medical Center; excluding confidential employees, supervisors, internal auditors, and all other employees.

3. Because the more than 50 percent showing of interest threshold was met, PERC conducted card check proceedings. The employees were given a free choice in the proceedings. The tally of results was provided to the parties. No meritorious election objections were filed.
4. The existing bargaining unit represented by the Service Employees International Union Local 925 shall be modified to include the employees in the Dietitian I and II job class for a bargaining unit described as follows:

All full-time and regular part-time nonsupervisory laboratory technical employees employed by the University of Washington in hospitals and clinics operated by the University of Washington, including the Occupational Therapists I, II, and III and Dietitians I and II employed by the University of Washington in hospitals and clinics operated by the University of Washington at the University of Washington Medical Center; excluding confidential employees, supervisors, internal auditors, and all other employees.

CONCLUSIONS OF LAW

1. The unit described in finding of fact 4 is an appropriate unit within the meaning of RCW 41.80.070.
2. Representation proceedings were conducted in accordance with RCW 41.80.135 and chapter 391-25 WAC.
