Mike Johnson, General Manager, for the Cross Valley Water District.

FINDINGS OF FACT

1. The International Union of Operating Engineers Local 302 filed a representation petition concerning employees of the Cross Valley Water District. The Public Employment Relations Commission (PERC) determined the petition was timely filed and accompanied by a sufficient showing of interest. No other organization claimed to represent the employees involved.
2. The bargaining unit is described as follows:

All lead utility workers, water quality utility service worker, inspector utility workers, utility service worker 1's, and utility service worker 2's employed by the Cross Valley Water District, excluding supervisor, confidential employees, and all other employees.
3. Because the more than 50 percent showing of interest threshold was met, PERC conducted card check proceedings. The employees were given a free choice in the proceedings. The tally of results was provided to the parties. No meritorious election objections were filed.

CONCLUSIONS OF LAW

1. The unit described in finding of fact 2 is an appropriate unit within the meaning of RCW 41.56.060.
2. Representation proceedings were conducted in accordance with RCW 41.56.095 and chapter 391-25 WAC.
